📄 Business Goal

The goal of the business is to begin from the ground up. We intend to market ourselves as designers and in return hope to get contracts with companies who need help designing websites and or applications.

📄 Elevator Pitch

My name is Jacob Raff I am an aspiring design student. I currently am learning how to create flowcharts, high and low fidelity wire frames, and am soon projected to begin coding

Airbnb.com

Airbnb is a website where you can search rentals. It can be for a short or long vacation. You have options to rent a room a full house or even an apartment. Airbnb is very accomadating in finding what you are in need of when you are looking to rent.
